9913 Woodrow Street: A Modern-Craftsman Masterpiece. Step into the heart of Vienna and discover 9913 Woodrow Street—a residence that seamlessly melds the elegance of classic craftsman design with the clean sophistication of contemporary style. This 8,000 square foot home, replete with 6 bedrooms, 6.5 baths & 3 car garage is a sanctuary of space and luxury, promising a lifestyle that's both refined and functional.

The intersection of aesthetics and functionality transforms the living room into an idyllic space. Here, natural light graces the interior, illuminating the room's crown jewel: a grand stone wall with a gas fireplace that anchors the space. A large accordion door opens to the deck, inviting a continuous flow between the indoor elegance and the serene outdoor ambience.

Culinary dreams come true in the gourmet kitchen, a modern marvel with Viking and Z-Line appliances that cater to the demands of the discerning home chef. A two-toned island provides ample seating and serves as a centerpiece for the space, complemented by a butler's pantry that adds
